Superior agility – powerful sanding

# Bona Belt Lite by KÜNZLE & TASIN

Superior agility – powerful sanding

The Bona Belt Lite sanding machine is a compact belt sander able to do great jobs. Designed to be the perfect combination of efficiency, power and agility. It can be easily disassembled into three parts, and quickly reassembled in a few simple steps. For optimal dust reduction, the Bona Belt Lite is compatible with Bona DCS 70 (Bona Dust Containment System).

## Application

For sanding all kinds of wooden and parquet floors.

## Key Benefits

- Optimal balance between weight and drum pressure
- Superior manoeuvrability
- Light weight of 60 kg
- Infinite pressure adjustment: up to 50% of its weight can be adjusted to the sanding drum
- Easy fitting and changing of paper, no tools needed
- Can fit distressing drums to texture wood floors on site
- Dust containment ready

Handle for easy carrying

Convenient drum pressure adjustment
